

HURRICANE SEASON PREPARATION

Dear Del Webb Residents,

As the hurricane season is upon us here in Florida, we thought it would be a good idea to send out a few important reminders, to ensure everyone stays safe and is on the same page about keeping our community secure.

If you plan to leave town for an extended period of time during hurricane season, we want your home to be prepared. Please ensure that you remove everything off of your back lanai, your front porch areas, and garden areas, if you have any artifacts. In the event of a hurricane or a big storm, in high winds, almost anything can become a projectile.

If you see fit, please make plans with a neighbor that you trust if you are going to be out of town. Someone who can assist you in preparation or keep constant communication with you.

As your management team, we will do our best to give you as much advanced notice as we possibly can, in the event that we are in the path of a hurricane, but please know that it is your personal responsibility, as the homeowner to take care of your home.

We have put together some useful information, for your reference in the event that a hurricane does come to the area. Please see below:

HURRICANE KIT

- Flashlights & extra bulbs
- Battery-operated radio
- Battery-operated lanterns
- Batteries (in different sizes!)
- Matches
- First aid kit
- Duct tape
- Rain gear
