

# DWO Safety Advisory Committee (SAC)

## Manager's Meeting Update

*Sunny Days with Sandi, 29 November 2017*

# SAC Status Update

- The Safety Advisory Committee serves in an advisory capacity to the Board of Directors and the Community Manager.
- The SAC was formed in July 2017
- The SAC studies safety issues including traffic control, emergency procedures and preparedness, safety equipment, safety surveys, safety related training, etc. within DWO.
- Study results go to the HOA Board of Directors, along with recommended solutions.
- We want to engage the community to enhance Safety
  - Safety Awareness
  - Risk Management
  - Security (including Situational Awareness)

# SAC Status Update

- **SAC Meets Monthly**
- ***Breeze* articles**
  - **July – Hurricane Preparedness 101**
