

Over the past 14 months, we have responded to the Covid-19 pandemic in a thoughtful and systematic way, always with the intent of keeping our residents safe. Restrictions were lifted as data permitted. We thank you for your patience and cooperation during this time.

While we are aware that many DWO residents are fully vaccinated, we will neither be tracking nor identifying vaccinated individuals. **Use of all amenities is still an individual decision and is at one's own personal risk**

Effective immediately:

- **Masks are no longer required in the Montecito Clubhouse.** CDC guidance indicates that fully vaccinated individuals can resume activities without wearing a mask or socially distancing (except where required by federal, state, or local laws, rules, or regulations). CDC indicates that vaccinated individuals are at very low risk of acquiring or spreading the virus.
- **All past rules and restrictions pertaining to Covid are rescinded EXCEPT for the following:** Children under the age of 19 are not yet allowed to use the indoor amenities, including the indoor pool. To compensate, the outdoor pool will continue to be open for children's hours from 2PM – sunset.
- **Sharing and serving food** can return to standards that were in place pre-Covid.

FirstService Residential staff working for Del Webb Orlando are required to follow their company's Human Resources policy regarding the use of masks.

Please be reminded to follow all other requirements in the Del Webb Orlando 2018 Community Rules and Regulations document, which can be found on the portal under Association Information, Governing Documents.

We look forward to getting back to our thriving and inspiring lifestyle!
