

Covid-19 Variant Update

Centers for Disease Control (Updated Guidance Issued July 27, 2021)

According to the Centers for Disease Control (CDC) the State of Florida has been designated as a "**high risk**" area due to the spread of the Delta variant.

Although not mandatory, the Board of Directors recommends that residents, guests and staff, vaccinated or not vaccinated, wear a mask in the Clubhouse except when actually eating, drinking or exercising.
