

CLINIC TREASURES DRIVE FOR HORIZONS ELEMENTARY SCHOOL OCTOBER 10 - 24, 2021

Young children often have accidents at school, so this is a very important ongoing project throughout the school year.

Clinic Treasures supplies underwear, socks, uniform shorts/pants/skirts (navy or khaki) and children's face masks to the nurse at Horizon's Elementary School. The clothing is then provided to students whose clothes are soiled during the day.

Please keep this valuable project in mind when out shopping and pick up an item to donate. Small sizes (6 - 8) are in the greatest demand. You can place the items in the clear bin marked "Clinic Treasures" in the alcove in the back of the clubhouse lobby or you can drop them by 110 Magellan Court.

For additional information, contact Pam Sultzman at
