### **ACCESSING AND UNDERSTANDING DWO GOVERNING DOCUMENTS**

WE ARE PLEASED TO ANNOUNCE A LOGICAL AND EASY WAY TO NAVIGATE AND UNDERSTAND OUR GOVERNING DOCUMENTS.

When you purchased your home, you were advised that it was your responsibility to comply with and understand the requirements and provisions of our Governing Documents.

In order to make this more efficient and informative to residents, the governing documents have been re-organized into an easy to use index with links to everything you need to know.

Simply go to the DelWebbOrlandoInfo.com portal, and under the Association Information tab, click on Governing Documents. You can also [CLICK HERE](#) to go directly to the index.

As you navigate the index, you will see that there are links to the Declaration and the associated amendments, the Bylaws, the Articles of Incorporation, the Rules and Regulations and the Design Guidelines. There is also helpful narrative on the purpose of each document and a Community History section that will walk you through the chronology and establishment of the community.

Educate yourself and enjoy the read!
